B.MI.

5.\* Rajko CICMIL

- Foča is like a blind gut

as far as both the Corps Command and  
HK /Herzegovina Corps/ Commander are concerned.

- There is no coordination between  
Foča, Goražde, Čajniče, Rudo and  
Višegrad.-

6.- Vojislav MAKSIMOVIĆ – deputy

- We had very brave troops  
who defeated the Ustashas.-

- We did not capture Goražde,  
you know the reasons.-

- Poor coordination with  
Čajniče, Pale, Bileća.

7.- President of the Foča SO, Josif MILIČIĆ

- Since the end of May until now

68

B.M

I have become isolated,

I was a guinea pig which

I ran out /as written/.-

- I have been trying to convene an assembly since 20 April 1992, this has not been made possible for me to this day.-
- I have been trying to start the economy, I was not able to do this.-
- Since I have stopped being a member of the Crisis Staff I have not attended such meetings.-
- Outside legal government organs we have presidents of local SDS /Serbian Democratic Party/ boards, we have no control in enterprises because SDS deputies have been appointed there.
- In late May, as soon as MAKSIMOVIĆ was appointed deputy, a decision was rendered to

suspend the Assembly.-

B. M/?/

8.- President of the SO –Nikola KOVAČ / Kalinovik

- Cooperation between military and civilian authorities is good.-

- The Assembly is functioning.-

- War production has died out.-

- Goods have been exchanged.-

= Refugees = around 200.

= Poor informing which has a negative effect on the overall situation.-

= Poor connections between municipalities.-

= Commanding is poorly linked up, there is quite a lot of localist behavior.

- We are doing a lot of evil to ourselves.

⊙\* = We have no reserves of fuel.-

9. – President of the Foča IO, Radojica MLADENović

---

- Production stopped on two occasions due to power outage

70

B. /?/

- power is now supplied from Pljevalj.-
- Fuel – flowed in, but never enough.-
- Schools are open.
- Radio Foča – working.
- Some servicemen are forcibly moving into flats.-
