4 Q. I'd like to move to a different topic now, and it's about
5 Marinko Lucan, and you've testified that you thought that he told the
6 Serbian police that you had weapons; is that right?

7 A. No, that's not right. That's not what I said.

8 Q. All right. Could you please tell us what you did say or what
9 you -- let me rephrase. What do you think Marinko Lucan told the police?

10 A. Probably something about the HDZ, as far as I am concerned. I
11 don't know any other reasons -- or, rather, I don't see that he would
12 have anything else to tell them about me having done except for the HDZ
13 party. I don't see that there would have been anything else to say about
14 me.

15 Q. And he -- did he say the same thing about someone who you've
16 called -- or who you know as Ronta, R-o-n-t-a?

17 A. Yes. I forgot that. I didn't know him, but I heard that he
18 hailed from Sonda of Serbia -- of Sonta, that Marinko Lucan had betrayed
19 him, had said that he had had a cafe where he used to hoist the Croatian
20 flag.
