Interim combat report

1. Our forces met with a tough enemy resistance supported by NATO aircraft and UNPROFOR, but despite this the Muslim 28<sup>th</sup> pd /infantry division/ was routed.

2. Our forces routed the enemy in a powerful drive along the Zeleni Jadar - Srebrenica - Potocari axis and took control of Srebrenica. Despite NATO aircraft attacks, our forces inexorably pushed forward and entered Srebrenica victoriously.

3. A decision for the coming operations: consolidate combat disposition along the lines reached and secure the success achieved, and after the necessary regrouping, continue the attack with the goal of defeating the enemy completely in the Srebrenica enclave.

4. Requests:

Please replenish our ammunition and fuel.

Chief of Staff

Major General Radislav KRSTIC
